TUFF TRUCK CHALLENGE - 2007

Back for another year! With 2 Tuff Trucks already under the belt, **Team DGR** entered again for their third consecutive attempt at being crowned "Australia's Tuffest Truck"

Held at Milbrodale in NSW's Hunter Valley, Tuff Truck Challenge boasts the largest turnout for any 4wd motorsport in the country. With teams traveling from far away places and spectators from even further, an action packed weekend is always guaranteed.

Team DGR had a weekend of mixed results. Whilst some courses were absolute shockers, others showed the skill and determination of **Team DGR's** previous TTC campaigns. The results for each course (in order of placing) were as follows:

Stage	Placing
Heartbreak Ridge	2 nd
Frame Twister	4 th
Rocky Horror	3 rd
All Terrain	7 th
Show and Shine/Engineering	13 th
Travel Ramp	18 th
Mystery Night Stage	22 nd
Mudrat's Revenge	30 th
Mini Wiraba	35 th
Overall	12th

Whilst 2007 may have been **Team DGR's** least successful Tuff Truck campaign to date, there are few others who can be this competitive in a vehicle sporting the smallest tires in the competition.

With the attention now directed to 2008, we look forward to seeing **Team DGR** return for their 4th attempt at Tuff Truck Challenge Glory!
